Mission Statement

"Stray from the Heart is a non-profit organization dedicated to the rescue, rehabilitation & placement of homeless dogs"

On behalf of all our Strays!

Stray from the Heart would like to thank all of our volunteers and donors for helping us make this year one of our most successful ones.

Because of your generosity this past year over **200** dogs have been rescued and most are spending this Thanksgiving in a warm and loving home!

Please help us keep this tradition alive!

Thank you!
Woof! Woof!

Special Thanks!

We want to give special thanks to **Jane Hoffman** and the **Mayors Alliance** for giving SFTH their biggest adoption day ever. On July 26th 2003 in NYC's Central Park SFTH found permanent homes for 5 dogs and foster homes for 3!!!

Cover Story

Two young cousins, **Susan Levinson**, and **Alexandra Aroyan**, share more than just a family bond. They share a love for dogs...one even aspiring to become a Veterinarian. These two young, bright girls decided to help needy dogs by raising money for them. **They took the initiative** and found a small charity dedicated to rescuing and placing homeless and abused dogs... SFTH. They used their own savings, sold old books, and made jewelry and lemonade ... selling it on Fire Island throughout the summer. They even started tabling in

their building.

To date, they have raised \$448.86 In addition to raising money, they have been posting flyers in Vet offices in their neighborhood. **So, on behalf of all of the people and dogs who make up SFTH, we would like to honor these two beautiful "Angels" and thank them for helping us make the world a better place.**
